Dear Counsel:

This letter addresses defendant's discovery demand dated January 20, 2016 (Docket No. 155).

- Request No. 1: Ballistics reports are contained in the discovery previously provided for each incident concerning a firearm. If the defendant believes a report for a weapon mentioned in the discovery is missing, please notify the Government. The Government does not yet have any "microscopic photographs" or "ballistics examiner diagrams" in its possession, but will attempt to obtain these reports, and will turn them over as soon as they are obtained.
- Request No. 2: All reports were turned over on or about May 22, 2013 (Bates stamped 34.0001-34.0284 including related photographs), and December 11, 2013 (34.0285-34.0294 and related photographs).
- Request No. 3: All reports were turned over on or about December 11, 2013 (56.0001-56.0044, including related photographs).

Respectfully Submitted,

PAUL J. FISHMAN
United States Attorney
